

Rome, 28th February 2013

Mr. Octavian Morariu
President
Romanian Olympic and Sports
Committee

Dear President,
Dear Friend,

Congratulations!

Despite the fears that plagued the eve, you have pulled off the masterful stroke of making this the best Winter European Youth Olympic Festival yet, also showing how Romania is capable of organising international sports events to the highest of standards. This does you personally and your team great credit, and please extend our congratulations and gratitude to them as well.

Everything went perfectly, the venues were absolutely wonderful, the whole organisation ran like clockwork, the competitions were a great success, and, most importantly, our young athletes and spectators alike all greatly enjoyed the whole event. And, as you know, the European Youth Olympic Festivals aims to teach the youth of Europe the values of Olympism and thanks to you and your team the Brasov 2013 EYOWF did so most successfully.

Lastly, let me also tell you that all participants have come away in the knowledge that Romania is a fantastic country and its people wonderful.

With best wishes,

Patrick Hickey
